**PLACEMENT TO RAISE A\$20 MILLION**

RXP Services Limited ("RXP" or the "Company") (ASX: RXP) is pleased to announce that it has completed a capital raising of A\$20 million by way of a placement of 25,000,000 shares at A\$0.80 per share ("the Placement").

Ord Minnett was the Lead Manager in respect of the Placement.

RXP's CEO & Managing Director, Ross Fielding, said:

*"It is once again pleasing that we have been able to quickly complete this capital raising at a time when the existing business continues to grow strongly. With close to 300 people in the business today and a growing pipeline of work, we remain very confident of delivering results in line with market expectations.*

*This raising enables us to further execute the acquisition part of our growth strategy. Whilst the Company has not, at this stage, progressed discussions with potential acquisition targets to a point that would require us to make disclosure to the market (in line with the ASX Listing Rules), this raising does enable us to execute potential acquisition(s) quickly once we decided to do so.*

Any questions relating to this announcement should be directed to Mr Ross Fielding, Chief Executive Officer +61 3 8256 4855.
