Explanatory Memorandum

Introduction

This Explanatory Memorandum has been prepared for the shareholders of RXP Services Limited (**Company**) to provide information about the items of business to be considered at the Annual General Meeting of shareholders of the Company to be held at the Offices of the Company at Level 9, 406 Collins Street Melbourne 3000 on 13th November 2012 at 11:00am.

Item 7 requires a Special Resolution. A Special Resolution requires at least 75% of votes cast by shareholders entitled to vote on the resolution to be in favour of the resolution for it to be passed. Items 2, 3, 4, 5 and 6 require Ordinary Resolution. An Ordinary Resolution require a simple majority of votes cast by shareholders entitled to vote on the resolution.

Item 1: Financial Statements and Reports

Section 317 of the Corporations Act 2001 (Cth) requires the last years financial report (which includes the financial statements and Directors' Declaration), the Directors Report and the Auditors' Report to be laid before the Annual General Meeting. There is no requirement either in the Corporations Act 2011 (Cth) or the Company's Constitution for shareholders to approve the Financial Report, the Directors' Report or the Auditors' report. Shareholders will be given reasonable opportunity at the meeting to ask questions and make comments on these reports.

Item 2: Remuneration Report

A resolution for adoption of the Remuneration Report is required to be considered and voted on in accordance with section 250R of the Corporations Act 2001 (Cth).

The Remuneration Report forms part of the Directors' report for the financial year ended 30 June 2012. It details the Company's policy on the remuneration of Non-Executive Directors, Executive Directors and Senior Executives and contains the information required by section 300A of the Corporations Act 2001 (Cth) and Accounting Standard AASB 1046.

A copy of the Remuneration Report is set out in the Full Annual Report of the Company and is also available from the Company's website at www.rxpsservices.com.au.

The shareholder vote is advisory only and does not bind the Directors or the Company.

Recommendation

Shareholders are asked to vote in favour of the adoption of the Remuneration Report.

For personal use only

Item 3: Re-election of Director – Mr Kenneth Stout

Clause 13.6 of the Company's Constitution requires one-third of the Directors (except for a managing director) to retire from office by rotation.

Clause 13.7 of the Company's Constitution allows retiring directors to be re-elected.

Pursuant to Clause 13.6 of the Company's Constitution, Mr Kenneth Stout retires by rotation and is eligible for re-election pursuant to Clause 13.7 of the Company's Constitution.

Recommendation

Shareholders are asked to vote in favour of the re-election of Mr Kenneth Stout as a Director of the Company.

Item 4: Ratification and approval of previous allotment and issue of securities

The purpose of Ordinary Resolution 3 is for shareholders to approve and ratify, under ASX Listing Rule 7.4, the issue of securities by the Company during the 12 months before the date of the meeting which count toward the Company's 15% limit under ASX Listing Rule 7.1.

ASX Listing Rule 7.1 provides that subject to certain exceptions (none of which are relevant here) prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of the securities at the commencement of that 12 month period.

The allotment and issue of securities detailed in resolution 3 did not exceed the 15% threshold. However, ASX Listing Rule 7.4 provides that where an entity ratifies an issue of securities, the issue will be treated as having been made with the approval for the purpose of ASX Listing Rule 7.1, thereby replenishing that entity's 15% capacity and enabling it to issue further securities up to that limit.

Resolution 3 proposes the ratification and approval of the allotment and issue of fully paid ordinary shares (**Shares**) detailed below for the purposes of satisfying the requirements of ASX Listing Rule 7.4.

Shares issued to the vendors of Stonewell Consulting Services Pty Ltd (Stonewell) and P L Consulting Limited (Hong Kong) (PLC)	
Issue Date:	4 July 2012
Number of Securities:	3,701,500
Issue Price:	\$0.50
Terms of Issue:	The Shares rank equally with all existing Shares on issue
Allottees:	Vendors of Stonewell and PLC

Recommendation

Shareholders are asked to vote in favour of the allotment and issue of securities to the Vendors of Stonewell and PLC.

Item 5: Approval of an issue of securities in lieu of accrued salary entitlements

As outlined on page 11 of the Annual Report to shareholders, as at 30 June 2012, Mr Ross Fielding had accrued salary of \$240,500. The accrued salary relates to base salary, in line with Mr Ross Fielding's executive employment contract, that had not been paid to Mr Ross Fielding as at 30 June 2012.

Mr Ross Fielding offered to accept Shares in the Company in lieu of receiving cash as settlement of this outstanding amount.

Mr Ross Fielding asked the Board of Directors to consider his offer.

The Board of Directors resolved (Mr Ross Fielding was excluded from all discussion on the resolution) to accept Mr Ross Fielding's offer subject to shareholder approval at the Annual General Meeting of the Company.

Recommendation

Shareholders are asked to vote in favour of the allotment and issue of securities to Mr Ross Fielding in lieu of accrued salary as at 30 June 2012.

Item 6: Approval of an issue of securities pursuant to a placement

On page 25 of the Company's prospectus dated 19 September 2011, the Company stated that one of the growth strategies that would be pursued by the Company was growth by acquisition.

In line with the Company's announcement to the ASX dated 5 October 2012, the Company is pursuing a number of possible acquisitions that the Company believes have the right customer relationships, the right service offerings and will expand the geographical spread of where the Company conducts business.

Whilst the Company has not progressed discussions with potential acquisitions targets to a point that would require the Company to make disclosure to the market in line with the ASX Listing Rules, the Company is seeking shareholder approval to make a placement of up to 20,000,000 ordinary shares in the Company.

As further advised in the Company's announcement to the ASX dated 5 October 2012, the Company continues to hold discussions with a number of institutional and sophisticated investors. At the date of this Notice of Annual General Meeting, these discussions have not reached a stage that would require the Company to make disclosure to the market in line with the ASX Listing Rules.

It is the intention of the Directors' to complete the placement proposed in this resolution at an issue price of not less than fifty (50) cents per ordinary share issued.

Recommendation

Shareholders are asked to vote in favour of allowing the Company to pursue a placement of Shares in the Company.

Item 7: Approval of placement facility

Under ASX Listing Rule 7.1A certain companies may seek shareholder approval by special resolution passed at an annual general meeting to have the additional capacity to issue equity securities which do not exceed 10% of the existing ordinary share capital without further shareholder approval.

Approval of the special resolution outlined in Item 7 is sought for the Company to issue ordinary shares under ASX Listing Rule 7.1A.

If the special resolution is approved the Company may make an issue of ordinary shares under ASX Listing Rule 7.1A at any time (either on a single date or progressively) up until the earlier of:

- (a) The date which is 12 months after the date of the 2012 Annual General Meeting; or
- (b) The date on which shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2.

Accordingly, the approval given if the special resolution is passed will cease to be valid on the earlier of 13th November 2013 or the date on which holders of the Company's ordinary securities approve a transaction under ASX Listing Rule 11.1.2 or 11.2.

At the date of this Explanatory Memorandum, the Company is an "eligible entity", and therefore able to seek approval under ASX Listing Rule 7.1A, as it is not included in the S&P/ASX300 and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million). If at the time of the 2012 Annual General Meeting the Company is no longer an eligible entity this special resolution will be withdrawn.

The maximum number of ordinary shares which may be issued in the capital of the Company under the approval sought by this special resolution will be determined in accordance with the following formula prescribed in ASX Listing Rule 7.1.A.2:

$$(A \times D) - E$$

Where:

- A is the number of shares on issue 12 months before the date of issue or agreement to issue:
- (i) plus the number of fully paid ordinary shares issued in the past 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that become fully paid in the 12 months;
 - (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rule 7.1 and 7.4 (this does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval);
 - (iv) less the number of fully paid ordinary shares cancelled in the 12 months.

The ability of the Company to make an issue under ASX Listing Rule 7.1A is in addition to its 15% placement capacity under ASX Listing Rule 7.1. The effect of this special resolution will be to allow the Company to issue ordinary shares under ASX Listing Rule 7.1A without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

As at the date of this Explanatory Memorandum, the Company has on issue 46,683,685 ordinary shares and therefore has capacity to issue:

- 7,002,553 equity securities under ASX Listing Rule 7.1; and
- Subject to shareholder approval being sought under this special resolution, 4,668,367 ordinary securities under ASX Listing Rule 7.1A.

The actual number of shares which may be issued under ASX Listing Rule 7.1A (and ASX Listing Rule 7.1) will be a function of the number of shares on issue at the time an issue is proposed as calculated per the formula set out above.

The issue price of the ordinary shares issued under ASX Listing Rule 7.1A will be determined at the time of issue. The minimum price at which the ordinary shares the subject of this special resolution will be issued is 90% of the of the volume weighted average market (closing) price ("VWAP") of the Company's ordinary shares calculated over the last fifteen (15) days on which trades in that class were recorded immediately before either:

- the date on which the price at which the securities are to be issued is agreed'; or
- if the securities are not issued within 5 ASX trading days of the date on the price at which the securities are to be issued is agreed, the date on which the securities are issued.

If this special resolution is approved, and the Company issues ordinary shares under ASX Listing Rule 7.1A, the existing shareholders' voting power in the Company will be diluted. There is a risk that:

- the market price for the Company's ordinary shares may be significant lower on issue date than on the date of the approval of this special resolution; and
- the ordinary shares issued under ASX Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to the market price for the Company's ordinary shares on the issue date;

which may have an effect on the amount of funds raised by the issue.

The following table sets out the dilution of existing shareholders on the basis of:

- The current market price of the Company's ordinary shares and the current number of ordinary securities as at the date of this Explanatory Memorandum.
- Two examples where the number of ordinary shares on issue ("A" in the formula set out above) has increased by 50% and 100%. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require shareholder approval (for example, pro-rata entitlements issues) or as a result of future placements under ASX Listing Rule 7.1 that are approved by shareholders.
- Two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at the date of this Explanatory Memorandum.

Notes:

- i) The table assumes that the Company issues the maximum number of ordinary shares available under ASX Listing Rule 7.1A.
- ii) The table assumes that no options are exercised in ordinary shares before the date of the issue of ordinary shares under ASX Listing Rule 7.1A.
- iii) The table does not show an example of dilution that may be caused to a particular shareholder by reason of issues of ordinary shares under ASX Listing Rule 7.1A based on that shareholder's holding at the date of this Explanatory Memorandum.
- iv) The table shows the effect of an issue of ordinary shares under ASX Listing Rule 7.1A, not under the Company's 15% placement capacity under ASX Listing Rule 7.1.

* Any issue of ordinary shares is required to be made in accordance with the ASX Listing Rules. Any issue made other than under the Company's 15% capacity under ASX Listing Rule 7.1 or the Company's additional 10% capacity under ASX Listing Rule 7.1A and not otherwise made under an exemption in ASX Listing Rule 7.2 would require shareholder approval.

** Based on closing price of the Company's shares on ASX on 6th October 2012 of \$0.50.

If this special resolution is approved the Company will have the ability to issue up to 10% of its issued capital without further shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

For personal use only

As at the date of this Explanatory Memorandum the Company has not formed an intention to offer any ordinary shares under ASX Listing Rule 7.1A to any particular person or at any particular time. The total amount that may be raised by the issue of equity securities under ASX Listing Rule 7.1A will depend on the issue price of the ordinary shares which will be determined at the time of issue. In some circumstances the Company may issue ordinary shares under ASX Listing Rule 7.1A for non-cash consideration (for example, in lieu of cash payments to vendors). While the Company has not formed an intention to offer any ordinary shares under ASX Listing Rule 7.1A, some of the purposes for which the Company may issue ordinary shares under ASX Listing Rule 7.1A include but are not limited to:

- (a) Raising funds to be applied to the Company's working capital requirements
- (b) Acquiring assets. In these circumstances the issue of ordinary shares may be made in substitution for the Company making a cash payment for the assets. If the Company elects to issue the ordinary shares for the purposes of acquiring assets then the Company will release to the market a valuation of the assets prior to issuing the shares.

Details regarding the purposes for which any particular issue under ASX Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to ASX Listing Rule 7.1A4 and ASX Listing Rule 3.10.5A at the time the issue is made. The decision on whether to make an issue under ASX Listing Rule 7.1A will be determined by the Company having regard to a number of factors including:

- (a) The capital raising and acquisition opportunities available to the Company and any alternative methods for raising funds or acquiring assets that are available to the Company.
- (b) The potential effect on the control of the Company
- (c) The Company's financial situation and the likely future capital requirements.
- (d) Advice from the Company's corporate or financial advisors.

Offers made under ASX Listing Rule 7.1A may be made to parties including professional and sophisticated investors, exiting shareholders of the Company, or any other person to whom the Company is able to make an offer of ordinary shares. The allocation policy the Company may adopt for a particular issue of ordinary shares under ASX Listing Rule 7.1A and the terms on which those ordinary shares may be offered will depend upon the circumstances existing at the time of the proposed capital raising under ASX Listing Rule 7.1A. Subject to the requirements of the ASX Listing Rules and the Corporations Act 2001 (Cth), the Directors reserve the right to determine, at the time of any issue of ordinary shares under ASX Listing Rule 7.1A the allocation policy the Company will adopt for that issue.

The Company has not previously obtained the approval of ordinary shareholders for the issue of ordinary shares under ASX Listing Rule 7.1A.

Recommendation

The resolution is a Special Resolution which requires at least 75% of the votes validly cast on the resolution by shareholders (by number of shares) to be in favour of the resolution for it to be passed.

The Directors of the Company believe that the Special Resolution is in the best interests of the Company and unanimously recommend that shareholders vote in favour of this resolution.
